Advanced Facials

Dermaplaning \$108
This treatment exfoliates the top layers of the skin using a specialised blade. It removes not just dead skin cells and debris, but also fine vellus hair or 'peach fuzz' to reveal fresher, smoother skin.

Microdermabrasion From \$86
This treatment offers manual exfoliation with the use of a diamond head tip and suction. It also includes an enzymatic mask to ensure ultimate hydration, finishing with a customised layering system.

Hydrodermabrasion From \$105
Combining the benefits of traditional microdermabrasion with the advancements of Bio-Therapeutic's unique solutions. A gentle buffing away of dead skin cells using the diamond head tip and liquid exfoliation.

LED Phototherapy Facial \$95
Dermalux LED Phototherapy is a non-invasive treatment that uses clinically proven therapeutic light energy to trigger the skin's natural rejuvenation and repair processes without pain or downtime.

Oxygen Facial \$155
Intracutaneous non-invasive oxygen facial uses hyperbaric oxygen to deliver potent ingredients into the skin. These serums can calm, hydrate and soothe dehydrated skin.

O2 Lift Facial \$152
This luxurious treatment infuses oxygen, plant-derived stem cells, peptides and a high concentration of enzymatic botanicals into the skin, leaving it luminous, refreshed and rejuvenated.

Relaxation

Full Body Relaxation Massage (1hr) \$109
Relaxing Back, Neck & Shoulder Massage (1/2 hr) \$64

Relaxation Package (1hr) \$129
Relaxing Back, Neck & Shoulder Massage with a Mini Facial and relaxing Hand Massage

Radio Frequency

Diamond Polar RF From \$202
Diamond Polar RF uses a unique (MP)2 technology, a combination of Multi-Polar Radio Frequency and Pulsed Magnetic Fields to produce uniform heat in the skin. Together, these energies increase collagen production and stimulate a natural healing response, lifting and tightening the skin.

NanoFractional RF From \$359
NanoFractional RF with SmartScan Technology to deliver energy beneath the skin's surface, activating the fibroblast cells and rebuilding the collagen. Tiny surface pins channel energy to the deeper skin layers, creating micro-dermal skin rejuvenation.

Facials

Signature Facial \$109
Enjoy a double cleanse, enzymatic exfoliation & customised mask before a relaxing facial massage under steam. Then finishing with a hot towel and customised layering system.

Deep Clean Facial \$86
Double cleanse and exfoliation under steam to soften congestion and reveal a clearer complexion.

Hydration Facial \$96
Soothe, plump and protect with the infusion this potent sheet mask also enjoy a luxurious facial massage with gliding movements for a dewy glow to your skin.

Teen Facial-For those aged under 17 \$69
A great entry level facial to get started on their skincare journey. Double cleanse, exfoliation, mask, and skin appropriate finishing products.

Image Peels

Ormedic Lift™ From \$122
A brightening and balancing solution with fruit enzymes, polypeptides and organic aloe vera to revitalise dull skin without irritation.

Signature Facelift® From \$142
With vitamin C, plant stem cells and botanical brighteners, this rejuvenating solution supports skin elasticity for visibly firm, youthful looking skin.

Lightening Lift® From \$132
A cocktail of kojic acid, plant stem cells and powerful botanical brighteners helps to reduce the appearance of dark spots and discoloration.

Wrinkle Lift® From \$132
Formulated with a synergistic blend of glycolic acid and retinol to reduce the appearance of fine lines and wrinkles.

Acne Lift® From \$129
A blend of lilac stem cells, purifying botanicals and exfoliating glycolic acid, along with salicylic acid to treat mild to moderate acne.

Fusion Therapy

Fusion Meso therapies are advanced treatments that can target a range of skin and body concerns through the use of active ingredients in professionally prepared formulations infused through the procedure of skin needling or electroporation.
